

Muscat Canelli 2013

Winemaker Chris Christensen's Notes:

A cellar aged white wine!

- This Muscan't be happening!?!?

Oh yes it is - and it's a wild ride of a wine. This

Library selection has been gracefully aging for the past five years awaiting its re-release. During this time the wine has metamorphosized from a light and zippy glass of fruit cocktail juice flavors to a mysterious and elegant symphony of dried fruit, cracked white pepper and all with that delightful touch of petrol that you find in a well aged Riesling. This will be a real head-turner at the Thanksgiving table or wherever you break it out.

Enjoy this blast from the past!
