

The Victor's Spoils 2017

Sauvignon Blanc

Sustainably Farmed

Winemaker Chris Christensen's Notes:

Light and approachable, this high flavor-low alcohol wine is perfect to drink all day long and on into the party hour. Pineapple-guava with accents of tangerines and nectarines dominate the flavors and aromas. This wine pairs well with live music, sunny days, fresh cuisine, cool dudes and hot babes— so it pairs well with pretty much the best things in life. I call that winning and to the victor go the spoils. Grip and Sip!
